Companion (S) Burnt Orange

This is an all-round knife for when you need a reliable companion in vastly different situations. The blade is made of recycled Swedish stainless steel and has long-lasting sharpness.

The ergonomic polymer handle features a soft friction grip, finger guard and a 2.5 mm thick blade made of recycled Swedish stainless steel, which provides both strength and stability in every cut. Thanks to the blade and handle design, the knife is ideal for working safely and efficiently in differing weather conditions all year round. The polymer sheath has a practical belt clip so that the knife can be attached to your belt or rucksack, always close at hand.
