Nail Puller

Easy to carry, exceptional strength

The thin, wide claw enables easy access and minimizes surface pressure.

The Hultafors Nail Puller is a demolition multi-tool designed for craftsmen seeking flexibility and reliability. This versatile tool is effective for a variety of tasks, from demolition to fine adjustments and even opening cans.

Crafted from Swedish high-alloy boron steel, the Hultafors Nail Puller offers exceptional strength and durability. Its compact design ensures it's always ready in your tool belt, providing the perfect balance of mobility and power.

The tool's thin, wide claw enables easy access and minimizes surface pressure, protecting delicate materials like plasterboard. The teardrop nail puller allows for efficient extraction in any direction. Featuring innovative claw hammer interaction, this tool provides extra leverage for larger nails, making tough tasks easier and more efficient.

User-friendly and versatile, the Hultafors Nail Puller is crafted to enhance your efficiency and reliability on the job.

- Versatile design for efficient demolition and fine adjustments
- Crafted from Swedish high-alloy boron steel for superior strength and durability
- User-friendly, featuring a thin, wide claw and teardrop nail puller
- Gain extra power on larger nails with an innovative claw hammer interaction
- Compact and easy to carry, always ready in your tool belt

The teardrop nail puller allows for efficient extraction.

The claw hammer interaction provides extra leverage for larger nails.
