NEW 5-PACK PACKAGING 2025

5-pack Craftsman's Knives

Efficiency in a pack. Sustainability with a holster.

Handle and holster are made from durable PP plastic.

Including 5 Craftsman's Knives and one holster.

Pack with 5 Craftsman's Knives and one holster. The knife is developed and adapted to meet the needs of the craftsman featuring a 2,5 mm Japanese carbon steel blade that has been hardened to 58-60 HRC. The holster features a unique function for attaching it securely to a button on your work trousers.

By reusing the holster, you reduce the plastic waste.

- The cutting edge has been sharpened in several stages, with a final honing on a leather strop.
- Both the handle and holster are made from super-durable PP plastic.
- The holster can be attached to both a belt and a button on your work clothes. If your belt is thick, cut away the small pin on the cover.
