# Hultafors Waste Manger

Makes Waste Handling Easy – Wherever You Work

This is probably the most important workmate at any construction site. Hultafors Waste Manager is the boss of easy clean up. Flat and easy to transport, set up and use. Giving you the benefit of an instant waste bag holder wherever you are. It fits standard waste bags ranging from 65 to 240 litres and creates a stable, upright structure that makes loading and unloading fast, clean, and efficient. Made of recycled PP plastic and can be used over and over again.

The smart design ensures quick setup wherever waste handling is needed. Whether you're at a construction site, in your workshop or in the garden cleaning out debris, you can trust the Hultafors Waste Manager to take care of the problem.

- Quick to carry, set up, and use
- Holds standard 65–240 L waste bags
- Speeds up waste handling
- Rigid design keeps bags secure
- Made of 20% recycled PP plastic
- Dimensions: 108 x 78 cm, thickness 1,5 mm
