Pica Powder®

Pica Powder®
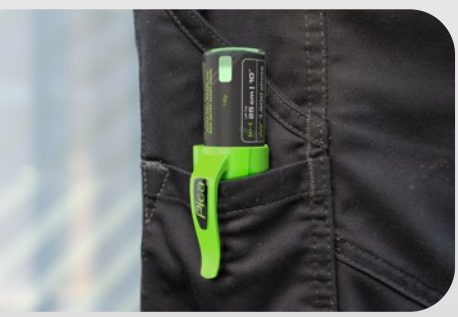
Deep Hole Spray Marker
The spray marker for drill holes

ZERO GAS without aerosol

- For contactless marking
- Precise marking through drill holes up to 25 cm
- Green-fluorescent chalk powder
- Exact, full-surface representation of the drill hole
- Up to 1,500 shots
- Refillable for long-term use
- For all drill hole sizes from 3 mm
- 360° spray nozzle arm for hard-to-reach spots
- With effective dust and moisture protection
- Ideal for wood, electrical, plumbing & construction work
- Sticks to all surfaces – dry, wet, rough, smooth etc.
- Easily removable from smooth surfaces
- Fast handling saves time



Refillable with the Pica Powder® Refill Pack

- Green-fluorescent chalk powder
- For long-term use
- Note: Only refill up to ⅔

Easy to refill, one refill pack is sufficient for 3 refills
